

# Reach More Patients Worldwide

## JOIN OUR GROWING NETWORK OF SPECIALISTS

*Provide second opinion consultation to patients worldwide by using our highly advanced platform that provides patient care – anytime, anywhere.*

### Why Estecharat?

At Estecharat, we provide medical doctors with the opportunity to consult with patients from all over the world and earn extra income. We have a highly advanced platform that offers a virtual video interface, access to medical documents, and speech-to-speech translation to facilitate performance and increase patient satisfaction. With our platform, doctors can attract and retain more patients, provide a valuable service, and improve patient engagement with remote monitoring.

### Why Choose Us

- ✓ Accept and reject patient requests, at your discretion.
- ✓ Improves patient engagement with remote monitoring & real-time translation technology.
- ✓ Provide a valuable service to patients, who are seeking your expertise.
- ✓ Attract and retain more patients and earn extra income on your own terms.

#### Increase Your Income

As an independent consultant, you can compliment your current practice and create an additional revenue stream with no limits on how much time you choose to dedicate to the platform.

#### Flexible Fees & Schedule

Estecharat enables you to set your own schedules and counseling fees. Maintain seamless connectivity and deliver virtual care throughout the patient care session.

#### Real-Time Translation

Our platform is empowered with real-time, speech-to-speech translation technology that is uniquely optimized to translate medical
