

Access North America's Top Specialists

GET SECOND MEDICAL OPINION DIGITALLY

Seek a second opinion from North American specialists about your treatment plans in your own language.

At Estecharat, we offer second opinion services that are accessible and convenient. With our secure and easy-to-use online platform, you can connect with specialists from anywhere in North America. We also offer medically optimized, real-time translation so that you can communicate in your own language. This way, you can get the answers you need without having to travel or take time off work.

Why Estecharat?

There are many reasons why you might seek a second opinion. Perhaps you are not comfortable with your current treatment plan or you want to explore all of your options before making a decision. Whatever the reason, getting a second opinion can help put your mind at ease and give you the information you need to make a confident decision about your care.

How It Works

Find the right specialist

Fill out the request form and search our website to find the specialist that is best suited for your needs. If unable to find the right specialist, we will source and connect you with one.

Connect with your specialist

Fill in your medical profile and upload the relevant documents for the specialist. The doctor will review, discuss areas of concern, answer your questions about your symptoms, review your diagnosis and give you advice on treatment plans.

Secure Digital Environment

As a flexible independent consultant, you can compliment your current practice and generate an extra revenue stream by going fully or partially with Estecharat.

Save On Traveling

Digitally connect with medical professionals from around the world, so you don't need to incur the cost of airfare and all the associated costs with traveling.

Skip the Waiting Room

With our online booking system, you can view the availability of specialists and choose a time that works for you. Easily schedule an appointment around your busy life.
